

# VOICES OF PACIFIC CHILDREN WITH DISABILITY

Zero Project Conference 2016

Elena Jenkin, Deakin University, Australia

# PROJECT OVERVIEW

The project consulted 89 children with a disability in Vanuatu and Papua New Guinea about their human rights priorities

**Singaut Bilong Pikinini**  
Voices of children with disability, Papua New Guinea

# STRENGTH: NEW TOOLS FOR GAINING CHILDREN'S VIEWS

Key purpose = enable the child to communicate their views, tools were customised to children with diverse disability in each context

# STRENGTH: TRANSFERABILITY AND SCALABILITY
