Standards, Manuals and Toolboxes
The Saraki Foundation was created in 1996 with the goal of enable people with disabilities to opportunities and resources necessary to fully participate in economic, social and cultural life, mainly focused on their abilities.
Our Objective

Eliminate barriers
How do we work?

• We network holistically on accessibility
• We eliminate legal, physical and attitudinal barriers
To you, that not seeing,
What have we achieved?

Social, economic and democratic inclusion
864 Persons with Disabilities have been directly benefited, like:

• Mario, an user of the new 240 accessible buses to go to his new job in the private sector.

• Mr. Máximo who made one of the thousands ramps that were built after the non public works campaign

• Natalia Facetti who in 2015 was 44 years old, voted for the first time in her life, like many other thousands people with disabilities.
