On the Willie & Celia Trump Campus

THE SOCIAL CHALLENGE

- 1 in 20 children has a moderate to severe disability
- Lack of inclusive public play spaces
- Negative attitudes towards children with disabilities

Beit Issie Shapiro
Changing the lives of people with disabilities
On the Willie & Celia Trump Campus

OUR VISION

Changing attitudes through inclusive play, to bring about a more inclusive society for children of all abilities and their families.

Beit Issie Shapiro
Changing the lives of people with disabilities
On the Willie & Celia Trump Campus

OUR SOLUTION

- ... is a platform for **social change** – integrating physical accessibility and **social** accessibility
- ... focuses on **changing attitudes** towards children with disabilities.
- ... has been **replicated** in Israel in over 30 municipalities and has inspired similar playgrounds around the world.
