Connecting families

A community for families of children with disabilities and special abilities.

Find and connect with other families like yours! Our Normal is a supportive family network for families interested in sharing experiences and making new friends.
Familjen Beijar
Majorna, Göteborg, Sverige

This is our family!

Vi är en familj på fyra - mamma Jenny, pappa John och så tjejerna Vanja och Hillevi. För tillfället är
We'd like to get in touch with other families, and are happy to help with anything we can - related to Down syndrome, Gothenburg or other stuff ;)

A supporting family network with many possibilities

Getting in touch based on location, experience of type of disability, same interests, shared languages, ages, siblings, planning a journey…
An empowering network open for all kinds of families. And all kind of real and imaginary borders!

These families are on Our Normal

Use the filter to search for and find matching families!
A fantastic initiative! Reading all the family presentations make us feel less lonely.

- Parent
It has been great to see photos of other families and to get in touch with others who are struggling with some similar issues. We hope for even more families to join!

- Parent
We meet a lot of families who feel very lonely in their situation. Our Normal is a great possibility for families to connect!

- Counselor at habilitation centre
Help us reach out to more families!
